# CEBELIA

French Patented Derma - Aesthetic Skincare

## Comfort Cream

Indications

### MEDICAL-AESTHETIC & DERMATOLOGICAL PROCEDURES

- Reactive and irritated skin.
- Environmental stress (pollution, extreme weather)

Complementary skincare to ALL types of aesthetic procedures

Suitable for all phototypes

### HOW TO USE

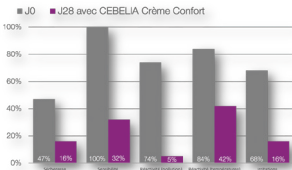

- **For daily use:** on cleansed skin, apply a pea-sized amount morning and evening, on face, neck & décolleté. Favor upward movements.

### COMBINATIONS

- Hydrating and Soothing Compensating Cream for dry and irritated skin: possible concomitant use of Comfort Cream and Drying medical treatments as prescription retinoids
- Possible concomitant use of CEBELIA Comfort Cream in the morning to protect from environmental stress and CEBELIA Intensive anti-aging at night to target aging signs and promote skin recovery

Instructions for use

### EFFICACY EVALUATION OF COMFORT CREAM DURING 28 DAYS

Performed on 20 women  
2 topical applications per day during 28 days

Results

CEBELIA Comfort Cream reduces by 95% the reactivity to pollution and by 50% the temperature variations.

Sensitivity and dryness are divided by 3 while irritations are divided by 4.

► Skin is less reactive and sensitive after 28 days of consistent use of Comfort cream

Visibly improves skin hydration and soothes irritations.

ENVIRONMENTAL STRESS PROTECTION – ANTI-AGING PREVENTION – NOURISHING
